TO COUNTRY MERCHANTS.

I AM now receiving my Fall Stock of *School Books, Paper and School Stationery,* and notwithstanding the great rise in price of many of the articles in my line, I shall continue to sell with few exceptions as low, and on many articles lower than heretofore. My price will be as near the New York figure as possible, and on some goods I will guarantee to sell as low. I can confidently assert that I can and will sell as low as any merchant in the city. My rent is now from $300 to $600 lower than that of any other Stationer, and my arrangements are such that I purchase my goods a little cheaper. It is useless to enumerate the articles of my stock. I have been in the trade in Milwaukee eight years, and know something of the wants of my customers.

My old friends, and new, will find me at 165 East Water St., up stairs, entrance on Michigan street.

THIS truly celebrated remedial preparation, efficacious alike for each and every description of RHEUMATIC COMPLAINTS, is already too well known and esteemed throughout the United States, to require any lengthy notice of its paramount virtues. It ERADICATES this heretofore incurable and distressing disease from the system, and STANDS UNRIVALLED IN THE PHARMACY OF MEDICINE.

We do not propose to make unqualified statements, or to *force a nostrum before the public*, but simply to request those most interested—THE SUFFERERS THEMSELVES—to procure from the Agent in their vicinity, a circular, and not only read the testimony of those who have experienced its invaluable curative powers, but also to write to, or call upon, the convalescents, so that the statement may emanate from the Fountain-Head—a course which will satisfy the most incredulous, and only by which the reputation of the REMEDY is certain of being sustained. Write also to the proprietors, who will accord every information, and furnish names of undoubted character from every section of the Union, numbering among them some of the most eminent Physicians, Clergymen, Editors, and prominent citizens, rendering the reliability and efficacy of the remedy beyond the reach of doubt or distrust.

HAVEN POWERS, } Ward
JOHN MITCHELL, } Committee.

The Great Revolution.

Two years ago, the Pierce Administration came into power on the wave of the greatest popular majority ever given to any party since the days of Jackson. Gen. Harrison was elected in 1840 by a strong majority, but his death and the divisions among the party leaders soon dissipated that majority, and left the party in a hopeless minority. But there is not an instance on record, in the history of this Government, of a party's coming into power with such a majority of suffrages, and in two short years thereafter being so utterly routed and overthrown in all their strongholds as the Pierce party has been. For the Nebraska party is not merely defeated in the Free States—it is *annihilated*. The men who helped to bring it into power are as earnest as its original opponents in depriving it of power. It has not merely lost the confidence of the people: it has won their contempt, and scorn, and burning indignation. They feel toward it, as the true patriot feels towards the betrayers of his country. And the uprising in Pennsylvania, Ohio and Indiana, by which the Administration has been scouted and hooted out of place, but partially expresses that indignation. And this Revolution will go on till the Free States are purified from the race of politicians who are ready to sell their country for less than thirty of pieces silver. Wisconsin will answer to the cheering voices of her Sister States, and Illinois, the home of Douglas, and the most pro-Slavery State in the North, except New Jersey, gives promise of repudiating the traitor, who has brought upon her so much dishonor.

We rejoice at these indubitable proofs that power is yet in the hands of the people, and that they mean to use it, to defend the sacred cause of Freedom. Union of effort and resoluteness of will are all that are needed, to consummate the glorious revolution so auspiciously begun. And the people seem determined that these shall not be wanting.

A Mass Convention of the Republicans of Portage and Marathon counties, is to be held at Stevens' Point, the 19th inst., to nominate a candidate for the Assembly, and also a convention at the same place to nominate county officers.

A Whig County Convention is called at the same time and place, and a Whig Assembly Convention at the same place, the 21st inst.

John M. Sherman of Burnett, is the Republican candidate for the Assembly in the 6th District of Dodge Co. The Burr Oak speaks of him as an excellent man for the post.

Dr. S. N. Semple of Hustisford, is the Republican candidate in the 2d District.

THE ticket nominated by the Republicans of Rock County is an excellent one, and must command the confidence of friends and the respect of foes. And it will be elected.

SEE notice for a Convention at Prospect Hill on the 21st inst., to nominate a Republican candidate for the Assembly, for the Waukesha district.

LYING RESOLUTIONS.—We publish the following choice specimens of resolutions adopted by the Nebraska wing of the Waupun Democratic Convention, headed by Chas. D. Robinson, of the Green Bay Advocate. They contain the boldest and most unblushing falsehoods

Resolved, That Congress was right in abolishing the "Missouri Compromise," as an iniquitous bargain, by which the south secured for slave territory that which never would be made so by the votes of the people inhabiting it; as a bargain by which the north gained nothing but an agreement that certain territory be made free, which a Divine Providence had previously, by its climate and soil, forever unfitted for slave labor; and as an instrument which was at war with the republican doctrines that we have herein asserted.

Resolved, That the so-called "Nebraska measure" is entitled to our ratification and support because it is based upon their platform—upon the doctrine of State Rights and popular Sovreignty; because it embraces the principle, and the only one, which will effectually restrict slavery within the territory where it now exists, prevent its establishment in new States, and eventually free the Union from the curse; and because it is practically furnishing proof of its virtues in these respects by making Kansas a free territory—which otherwise, under the operation of the "Missouri Compromise," would almost certainly have become a slave state:

The Missouri Compromise said not a word in favor of, or encouraging slavery south of 36° 30', and all of Kansas lies north of 37°

Section 19, of the Kansas Act, reads as follows:

That all that part of the territory of the United States included within the following limits, except such portions thereof as are hereinafter expressly exempted from the operations of this act, to wit: beginning at a point on the Western boundary of the State of Missouri, where *the thirty-seventh parallel of north latitude crosses the same; thence west on said parallel to the eastern boundary of New Mexico*; thence north on said boundary to latitude thirty-eight; thence following said boundary westward to the east boundary of the Territory of Utah, on the summit of the Rocky Mountains; thence northward on said summit to the fortieth parallel of latitude; thence east on said parallel to the western boundary of the State of Missouri; thence south with the western boundary of said State to the place of beginning, be, and the same is hereby, created into a temporary government by the name of the Territory of Kansas.

Will the Green Bay *Advocate* inform us, how territory, the southern boundary of which is half of a degree north of the Missouri Compromise line, in which slavery was absolutely forbidden by that Compromise, could become slave territory under the operation of that Compromise.

ROCK CO. REPUBLICAN NOMINATIONS.—On Thurday last, the Republicans of Rock Co., held a Convention at Janesville and made the following nominations:

For Senator—James Sutherland—of Janesville.

For Sheriff—Jas. Burgess—of Janesville.

For Register—Chas. R. Gibbs—of Harmony.

For Clerk of the Court—E. P. King—of Beloit.

For Clerk of the Board—J. L. V. Thomas—of Newark.

For Treasurer—Moses T. Walker, of Milton.

For District Att'y—S. J. Todd—of Beloit.

For Surveyor—Jas. Church—of Rock.

For Coroner—J. Stetson—of Spring Valley.

The *Gazette* says the nominations throughout are good and calculated to give general satisfaction, and we have great confidence in their success.

DANE CO. *Republican Ticket*,—The Republicans of Dane Co., have nominated the following ticket:

For Sheriff—Sylvester Wheeler.
For Co. Treasurer—Horace D. Goodnow.
For District Att'y—Myron H. Orton.
For Register of Deeds—Frank Massing.
For Clerk of Circuit Court—J. W. Sharp.
For County Surveyor—S. W. Graves.
For Clerk of Board of Supervisors—C. Cornelison.
For Coroner—G. W. Crane.

Wheeler and Massing were formerly Democrats, Sharp and Crane Free Democrats and the remainder of the ticket, Whigs.

THE Fond du Lac Freeman says, Mr. Billinghurst approved of Justice Smith's first decision in the Habeas Corpus case, and also of the decision of the Court in denying us the writ of Habeas Corpus on our last application, and asks us how we like that? We reply, that nine tenths of the people of this State, regard the two decisions as utterly incompatible—that we never saw a plainer case of self-stultification, and that we regard any lawyer who approves of both decisions, to be as much in the fog as he who tries to serve both Christ and Belial, at the same time.

THE Proprietors of the Janesville Gazette lost some hundreds of dollars by the publication of their Daily, and have had less than 200 subscribers to it, in a population of 6,000, and fear they shall not be able to resume its publication. We think the citizens of Janesville mistake their true interest in not sustaining a Daily paper. It would be worth to the city ten times its cost. And the business men should pay $25 each before they should permit it to stop.

The Gazette devotes a half column to our benefit, and quotes the Kenosha Telegraph against us, as we supposed it would.

THE News consoles itself and party for the defeats in Pennsylvania, Ohio, and Indiana, with the hope of victories hereafter. It is also pleased because the Sentinel and Free Democrat don't think alike in regard to past transactions. We hope it will derive all the comfort it can from such reflections.

THE Green County Republican Convention, to nominate a County ticket, meets at Monroe, next Saturday, the 21st inst. Green County will elect the Republican ticket, this fall, by a good majority.

The canvass between Messrs. Hadley and Schoeffler, for the Senatorial nomination, is quite animated. Thus far, Mr. Hadley is ahead and his chances are decidedly the best. We do not know as it makes much difference which of them the Republican candidate beats.

FOURTH WARD *Democratic Caucus*.—This is to be held next Monday, at 12 o'clock M., at the Fountain House, to nominate a candidate for the Assembly, and appoint delegates to the County Convention.

LEGISLATIVE.—Stephen P. Hollenbeck is an independent candidate for Assembly, in the North district of Iowa Co.

Election Returns.

OHIO ELECTION.—We have the following additional and glorious news from Ohio.

Swan and Blickensdefer (State Ticket) are elected by unprecedented majorities; and of the twenty-one members of Congress, *nineteen* Anti-Nebraska nominees are probably elected.

First District—Thimothy C. Day (Whig) 1,500 majority.

Second District—J. Scott Harrison, 1,500 majority.

Third District—L. D. Campbell (Whig) 1,000 to 1,500.

Fifth District—Richard Mott (Anti-Nebraska) elected; 4,000 majority in Toledo.

Eighth District—Stanton (Whig) has 5,000 majority.

Tenth District—Moores majority for Congress will be about 800.

Twelfth District—Samuel Galloway (Whig) gains 300 an Olds (Nebraska) in ten towns. Reported elected.

Thirteenth District—John Sherman (Anti-Nebraska) has 400 majority in Erie county; 1,560 majority in Huron county, and 200 in Richland county.

Fifteenth District—Election of Sapp considered certain.

Sixteenth District—Ball (Whig) 400 majority as far as heard from.

Returns from Madison (18th) District show a majority for Leiter, Whig.

Nineteenth (Cleveland) District, Wade (Whig) 4,000 majority; in Cleveland 2,300 majority.

Tuscarawa county gives 1,000 Whig majority.

The Jefferson (15th) District gives Wm. R. Sapp (Whig) a large majority.

Twentyth District—Giddigs elected without ambt.

Twenty-first District—Columbiana gives Bingham (Fusion) 1,000 majority.—Bingham is elected over Stuart by probably 2,000.

OHIO SPEAKS—THE PEOPLE TRIUMPHANT.—The election in this city and county shows that the county of Hamilton (the strong-hold of nominal Democracy) has given from five to six thousand majority for the American Reform Anti-Nebraska ticket. Never, in the history of political parties in this country, has there been such a wondrous change. The common sense of the people has nobly triumphed over party despotism and quackery and vice. The Democratic majority in this County for Pierce, over Scott, in 1852, was rising four thousand, and the anti-Pierce ticket goes out of the county at least 5,000 ahead, making a change on the side of correct principles of upwards of 9,000. Is there any county in the United States that can show such a change? If every county in Ohio has done as well as Hamilton, the anti-Nebraska American Reform State ticket is elected by a vast majority—say forty thousand.

Never was there a more quiet and orderly election than the one yesterday morning. THE PEOPLE were determined that there should be no cheating, and there was none. THE PEOPLE ARE AN INSTITUTION IN THIS COUNTY WHEN THEY SET ABOUT IT.

We have no room and no time to enter into particulars; we have carried Ohio, Indiana and Pennsylvania.—*Cincinnati Gazette, Oct. 11th.*

CINCINNATI, Oct. 10—11 P. M. Nebraska men beaten badly. A committee of four hundred liberal Germans attended the different Wards, and used their influence with their coalition men for the whole Anti-Nebraska ticket. This class behaved like Republicans and patriots, and voted openly and unitedly against Slavery and Slavery extension. Great rejoicing. Cannon firing, and bonfires lit up. No disturbance.

COLUMBUS, Oct. 11. Swan and Blickensderfer will have at least 1200 majority in Franklin, Galloway will have the same. Galloway will have from 1,500 to 2000 majority in the district. Fairfield has elected the American ticket by 1000 majority. Lot Smith is probably defeated for Congress. Culver free soil, elected. Swan and Blickenderfer are no doubt elected by a tremendous majority.

MADISON, Oct. 10. The people's ticket will be succesful by an average majority of not less than 700 votes, and the probability is that Dunn, the Anti-Nebraska candidate for Congress will be elected. The election passed off quietly.

INDIANAPOLIS, Oct. 10. There were fully six hundred votes polled to-day, more than at any other election; there was great excitement during the day, but no disurbance of consequence. The drinking saloons were all closed.

LAFAYETTE, Oct. 10. Mace is elected to Congress in this district by 1500 majority, without doubt, though the votes are not all counted yet.

PHILADELPHIA, Oct 11. In the first Congressional district, Florence, Democrat, is elected by——majority. In the Second district, Tyson is elected by 2026 majority over Hamilton, Democrat, and Chandler, Independent. Third District, Millesard, Whig Know Nothing, elected by 740 majority over Landey, Democrat. Fourth district, Jacob Brow, Whig Know Nothing, elected by 751 majority over N. M. Phillips, Democrat. Pollock's majority in the city is 3129.

Carbon county—as near as can be ascertained, Bigler's majority is about 100. Parker, for Congress has about 200 majority.

PITTSBURG, Oct. 10. In this city, Pollock, whig, for Governor, has a majority of 1,203, which is a gain for the whigs of 500.

In Allegheny City Pollock has 850 maj.

There is a gain for Pollock in five districts of the county, of 250.

These gains are on the Governor's vote of 1851, when Johnson had 2,800 maj.

HARRISBURG, Oct. 10. In the west Ward of this city Pollock has 163 maj., which is a Whig gain of 200.

MILTON, Oct. 10. In this city Pollock has 332 maj. In Northumberland borough Pollock has 62 majority.

PENNSYLVANIA. Pollock's majority in Allegheny county is 4,300; Union county, 1,500; Lycoming county, 600; Clinton county, 250; Center county, 300; Bucks county, 16 townships, 300; York county, Bigler's majority, 600; Carbon county, 100; Berks co., 4,000; Wayne co., 250; Montrose co., 250.

COLUMBIA, S. C., Oct. 9.—We have a few details of the Florida election. Leon gives Maxwell (Dem.) for Congress, 80 majority.

Wakulla gives him 36 majority; Jefferson 242 maj.; Madison 68. He is elected by about 200 maj. The Legislature is democratic.

THE editor of the Beaver Dam Republican, having seen three fourths of a column of pi in the Fond du Lac Herald, gravely pronounces it to be in the Know Nothing language. Its charge that Mr. Billinghurst is a Know Nothing, and is engaged in establishing Know Nothing lodges, is entitled to equal credence. We know of no one better qualified to lead the Know Nothings than the editor of the Beaver Dam Republican.

THE BOSTON EVENING TELEGRAPH is one of the best—in our judgment *the* best—paper in New England. It is enterprising, has the earliest news, is liberal and progressive, and has a very able corps of editors and contributors. We advise those who wish the best paper in New England, to take the Boston Telegraph.

THE Waupaca Spirit, independent, comes out for Billinghurst decidedly, and also for the Republican cause. We publish its article.

HON. SAM HOUSTON is one of the appointed lecturers for the Anti-Slavery course this winter, at Boston.

THE *Wisconsin* has put potatoes up again.

WE publish the following precious *morceau*, to show the opinion of a leading southern Journal on the eternity of American Slavery. It goes the whole "figure," and its author must possess decidedly humane sentiments:

Slavery Eternal.—It is all a hallunication to suppose that we are ever going to get rid of African Slavery, or that it will ever be desirable to do so. It is a thing that we cannot do without, that is righteous, profitable and permanent, and that belongs to southern society as inherently, and durably as the white race itself. Yea, the white race will itself emigrate from southern States to Africa, California, or Polynesia, sooner than the African. Let us make up our minds, therefore, to put up with and make the most of the institution. Let us not bother our brains about what Providence intends to do with our negroes in the distant future; but glory in and profit to the utmost by what He *has done* for him in transplanting him here, and setting him to work on our plantation. Let the politicians and planters of the South, while encouraging the "Baptists and Methodists," (and other denominations having a less number of votes,) in christianizing the negro, keep their slaves at hard work, under strict discipline, out of idleness and mischief, while they live; and when, they come to die, instead of sending them off to Africa, or manumitting them to a life of "freedom" licentiousness and nuisance, *will* them over to their children, or direct them to be sold where they will be made to work hard and be of service to their masters and to the country. True philanthropy to the negro begins like charity, at home; and if southern men would act as if the canopy of heaven were inscribed with a covenant in letters of fire *that the negro is here and here forever, is our property and ours forever, is never to be emancipated, is to be kept hard at work, and in rigid subjection all his days, and is never to go to Africa, to Polynesia*, or to Yankee Land, (far worse than either) they would accomplish more good for the race in five years than they boast the institution itself to have accomplished in two centuries, and cut up by the roots a sort of evils and fallacies that threaten to drive the white race a wandering in the western wilderness sooner than Cuffee will go to preach the gospel in Guinea.—*Richmond Examiner.*

Fine pleasant weather—the most agreeable season of the whole year; it is being improved by the enterprising "Yankees," coming thick and fast from "down east," by ranging through our openings and woodland, in quest of "best locations." The openings have been pretty well gone over, and here and there a choice point taken from Uncle Sam's rich domains. The timbered regions are beginning to be invaded by the land-lookers; not for the timber only, but for the rich soil, as well. The pine regions have for neighbors, the richest intervales of hard timbered lands, where the sugar-tree, the oak, elm, lynn, ash, &c., are found. Within the last few days, notice has been called to a beautiful district of this sort on the Big Rib River, a tributary of the Wisconsin from the West, where a very large and beautiful district of sugar groves is found. It lies in Towns 27, 28, and 29 North, and in ranges 4, 5, 6, and 7 East. It is attracting attention as a *farming district.*

There is one equally extensive and beautiful, on the *Eau Claire*, in Towns 27, 28, 29, and 30, North, of Ranges 9 and 10 East.—*Stevens Pt. Pinery*, 10th inst.

A. W. Paine, Clerk of the Board of Supervisors, and only Democratic County officer that is not in nomination for reelection, except Mr. Ebbets, who is up for the Assembly, takes this making a bridge of his nose, in high dudgeon, and is out as an Independent candidate for the same office he now holds.—*Fond du Lac Freeman.*

The Presbyterian and Congregational Convention for Wisconsin was held in this city last week. It was well attended and many of its members were from abroad.—*Fond du Lac Freeman.*

DR. HARISON of St. Louis, has been appointed Professor of Materia Medica in the Cincinnati Medical College, a new institution.

WILLIAMS & CO.'S
HAT STORE,
Spring Street, opposite the American House.

☞ WE will open this day, (Oct. 12th), at our store as above, a good and extensive assortment of

HATS AND CAPS,

which we invite purchasers to call and examine, with the assurance that they will be pleased with the quality, style and price of our Goods. Our style of Silk Hats is very neat. We have nearly all sorts of the Soft Cassimere Hats, for men and Boys. Some very rich and desirable Silk Plush Caps, and a great variety of Hats and Caps for Children and Infants.

G. WILLIAMS,
oct13d1w G. C. SCHLEIER.

This is the state of Man: To-day he puts forth the tender leaves of hope—to-morrow blossoms, and bears his blushing honors thick upon him—the third day comes a frost, a killing frost, and then — he needs a STOVE!

AS THE SEASON IS FAST APPROACHING WHEN something stronger than stimulants will be required to keep us warm, it behooves every one, not already well supplied, to be looking around for their Winter *fixins*.—It is to those who are not well prepared for the coming cold weather, and particularly to those residing in the First and Second Wards, who think the GREAT WESTERN STOVE STORE a long way down the street, that I wish here to address myself. It is true, my location is a little farther down than some of my neighbors; but a glance at my well-filled show rooms and my extensive and very superior assortment of Stoves, (never mentioning the very low price at which they are sold), will richly compensate any one for their extra toil and trouble.

I can truly say, I keep the largest, most ample and best assortment of all kinds of Stoves, from a Flat Iron Heater to a Hotel Cooking Stove, ever brought to this market. I have now on hand, of Cook, Parlor and Box, more than

10,000 STOVES!

All of which with as many more, I expect to sell before another Spring, not at a sacrifice, but at prices extremely low. Among my Cooking Stoves, I have the celebrated King of Stoves, a Stove I will warrant to do more cooking in a shorter time and with less fuel than anything that bears the name of Stove. My assortment of Air-Tight and Premium, as also that of Parlor and Box, adapted to the use of either Wood, Coal or Coke, is very large and complete, and if my up-town friends care to save a dollar or two, they will call upon me before purchasing.

Holloway's Ointment and Pills, *the only infallible remedies for the cure of Eruptions and Blotches on the Skin.*—John Younglove (aged 26) was a great victim through the follies of youth, to eruptions on the skin, being covered with these unsightly blotches, in fact, he was utterly unfitted by his appearance to enter into society.—This young man, eight weeks back, tried Holloway's Ointment and Pills, and by the joint use of these remedies, his blood was so cooled and purified, that the whole of the blotches disappeared, and he now enjoys excellent health. These medicines will cure any disease of the skin, even of twenty years standing. oct9d1w

Murder Trial.—The State *vs.* Phebe Ann Johnson and Dyer Johnson The defendants are indicted for the murder of the bastard child of their daughter There is no proof that the child was born alive, except the deductions of medical men, from a post mortem examination The defense is, that the child was still-born.—The trial is now progressing before the Circuit Court, now in session in this village.—*Dodge Co Burr Oak.*

GOT HIM THERE.—At a late discussion between Galloway and Olds, the latter attempted to defend his Nebraska vote by showing that, Emigration would keep Slavery out of Nebraska. Sam replied that Judas Iscariot sold his Lord and Master for thirty pieces of silver, and the Lord overruled the act of treachery to the good of mankind, but *no thanks to Judas for that*, no thanks to Olds, Pierce & Co., if the people overrule their betrayer of Freedom.

RARE BIRDS.—Two specimens of the American Ostrich—male and female—were recently killed near Fort des Moines; Iowa, and prepared by W. E. Moore for the Fort des Moines Museum. They are described by Mr. M. as four and a half feet long, and five feet in height, with bills six inches long, straight and very sharp They resemble in most points the Ostrich of Africa. Mr. Moore has been offered $1000 for them, but refuses to sell. He is about to make a tour on the far western prairies, hoping to meet with other varieties.

MURDER.—About four months ago a man by the name of Reesen or Teesen, disappeared suddenly from his farm, in the Town of Theresa. He was a German, and lived alone in his house and was a man of substance. Some six weeks ago, two individuals by the name of Schultz, father and son, living near neighbors to Reesen, and who had lived upon intimate terms with him, were suspected of foul dealing with Reesen, from the fact that many articles of furniture, tools, bedding, provisions, &c., &c., belonging to Reesen, were found at Shults house. A search warrant was appplied for and issued by Justice Mertz of Juneau, and E. C. Lewis, Esq., and M. L. Sayles, Under Sheriff, repaired to the neighborhood, made search on the premises of Schultz and found many articles belonging to Reesen. The contradictory stories of the several members of Schultz family as to the disappearance and whereabouts of Reesen, and why they had his property and why they harvested his crops, (as it was said they did,) fixed suspicion of murder upon them. They were committed to jail, for trial on charge of larceny. A search was immediately commenced for the body of Reesen, and continued for days and weeks, unsuccessfully.

But last Saturday the body was accidentally discovered by Mr. Ludwig, buried on Schultz' farm, not far from his house, in a cultivated field. An inquest was held by Justice Bannister, the body identified as Reesen's and a verdict of willful murder rendered. The Grand Jury, now in session, are examining the case. Two women of the Scults family have been arrested and are in custody.—*Dodge Co. Burr Oak.*

Stupidly Foolish

For the *Chicago Journal* to claim the recent Anti-Nebraska victories in Pennsylvania, Ohio, and Indiana, as Whig triumphs—as evidence that the Whig party still retains a healthful and vigorous vitality. Were we to claim the results in those States as distinctive Free Democratic victories, we should be no more inconsistent than our friend of the *Journal*.

We have not the least doubt that there were over 150,000 voters in the States of Pennsylvania, Ohio and Indiana, whose voice went to swell the overwhelming majorities against the Nebraska swindle, Slavery propagandism, and the corruption of the present Administration, who have not the slightest affinity for or sympathy with the old Whig party, which three-fourths of the Whigs of '52 regard as dead and buried—past hope of resurrection; yet the *Chicago Journal*, at this late day, with

> "———— Optics sharp I ween,
> To see what is not to be seen,"

has made the important discovery that the Whig party is coming forth from the cold sepulchre, and that its putrescent carcass is about to be galvanized into new life. The *Journal* possesses the qualities of hope and faith in an eminent degree, and we hope it will have a good time in its fruitless attempts to resuscitate the Whig party.

CAUCUSES.—The Hunkers of the 3d Ward hold a Caucus this evening, at the Louisiana House, to nominate a candidate for the Assembly, and to elect three delegates to the Convention.

The Hunkers of the 2d Ward hold a Caucus at the Mansion House this evening, to choose three delegates to the County Convention, and six to the Senatorial Convention.

On Saturday afternoon, 21st inst., the Democrats of Oak Creek and Franklin meet in their respective towns to nominate delegates to the County Convention.

CHARLES BILLINGHURST.—We to-day place the name of this gentleman in our columns as our choice between the two candidates who have received nominations in this district.—John B. Macy is the opposing candidate. We do not wish to practice the too common custom of disparaging the merits of one party to build up the reputation of another. Our delay in hoisting the name is evidence enough that we have not acted hastily in the question. We wished first to learn the names of both nominees, and then as much of the qualifications and merits of either party, as was accessible. Mr. Macy has stood in a public capacity sufficiently long to give the people an idea of his qualifications; the same of Mr. Billinghurst. And with all the facts before us, we are conscientiously inclined to support the last named gentleman. Our reasons—1st, it is certain that he is opposed to the extension of Slavery; and consequently is in opposition to the seizure, or even the purchase of Cuba, for the purpose of incorporating another Slave State into this Union; is in favor of the repeal of the odious Fugitive Slave Law; is anti-Nebraska and Kansas in sentiment; and, above all, is capable and honest.

The Slavery Question is the issue. First came the Fugitive Slave Law. Peace, be still! was our prudential admonition to insulted humanity. By our rulers, we of the North, who boasted of our freedom—who looked upon our inheritance as the "Land of the Free and Home of the Brave,"—were declared hounds to chase the fugitive, guilty of no crime but the love of liberty. If he came starving to our door, shivering with cold and famishing with hunger, this act made it criminal for us to feed, clothe and harbor him. But, on the contrary, made it obligatory on us to seize and imprison the seeker for liberty.

As long as such laws were sectional, it was something to be deplored by the philanthropists of the North, but nothing which they could materially affect. But when the institution of Slavery became nationalized; when the clank of the chains of the South sounded in the North; then something tangible presented itself to work upon. The indignation of many burst forth, burning till now. A desire for peace was the only feeling which suppressed the awful uprising which would inevitably have followed.

But then came another insult to our national dignity. The territories of the free wilds of the West must be converted to the uses of the South. Old compacts must be repealed, and the tyrannizing slaveholder permitted to take possession of the beautiful dells and prairies of Kansas and Nebraska, with his gangs of disheartened blacks. If, as an offset to the glory of our institutions, a dismal planet must shoot out in the constellation, for each one bearing the insignia of freedom, so be it.—*Waupaca Spirit.*

Jefferson on Slavery.

There must doubtless be an unhappy influence on the manners of our people, produced by the existence of Slavery among us. The whole commerce between master and slave is a perpetual exercise of the most boistrous passions, the most unremitting despotism on the one part and degrading submission on the other. Our children see this, and learn to imitate it, for man is an imitative animal. This quality is the germ of all education in him. From his cradle to his grave he is learning to do what he sees others do. If a parent could find no motive, either in his philanthrophy or his self love, for restraining the intemperance of passion towards his slaves, it should always be a sufficient one that his child is present. But generally it is not sufficient. The parent storms, the child looks on, catches the lineaments of wrath, puts on the same airs in the circle of smaller slaves, gives a loose rein to his worst passions, and thus nursed, educated, and daily exercised in tyranny, cannot but be stamped by it with odious peculiarities. The man must be a progidy who can retain his manners and morals undepraved by such circumstances—And with what execration should the statesmen be loaded, who permitting one half of the citizens thus to trample on the rights of the other, transforms those into despots, and these into enemies, destroys the morals of the one part, and the *amor patriae* of the other. For if a slave can have a country in this world, it must be any other in preference to that in which he is born to live and labor for another; in which he must lock up the faculties of his nature, contribute as far as he depends on his individual endeavors to the advancement of the human race, or entail his own miserable condition on the endless generations proceeding from him, With the morals of the people, their industry also is destroyed. For in a warm climate, no man will labor for himself who can make another labor for him. And can the liberties of a nation be thought secure when we have removed their only firm basis, a conviction in the minds of the people that these liberties are the gift of God? That they are not to be violated but with his wrath? Indeed, I tremble for my Country when I reflect that God is just: that his justice cannot sleep forever; that considering numbers, nature and natural means only, a revolution of the wheel of fortune, an exchange of situation is among possible events, that it may become probable by supernatural interference. The Almighty has no attribute which can take sides with us in such a contest.

WILBERFORCE, of a feeble frame, but doing immense labor, were out Pitt, Casterleagh, Whitbread, Romilly and many others, most of whom died insane, and he attributed his health and vigor to the refreshment of keeping the Sabbath. This gave tone to his mind and kept it in order.

Trust to the Future.

Trust to the Future;—Tho' gloomy and cheerless,
Prowls the dark Past like a ghost at thy back,
Look not behind thee:—be hopeful and fearless;
Steer for the right way, and keep to the track!
Fling off Despair,—it has strength like a giant—
Shoulder thy purpose, and, boldly defiant,
Save to the Right stand unmoved and unpliant!
Faith and God's promise the brave never lack.

Trust to the Future;—The Present may fright thee,
Scowling so fearfully close at thy side;
Face it unmoved, and no Present can blight thee—
He who stands boldly each blast shall abide.
Never a storm but the tainted air needs it,
Never a storm but the sunshine succeeds it;
Each has a lesson, and he alone reads it
Rightly, who takes it and makes it his guide.

Trust to the Future;—It stands like an angel,
Waiting to lead thee, to bless and to cheer;
Singing of hope like some blessed Evangel,
Luring thee on to a brighter career.
Why should the Past or Present oppress thee?
Stamp on their coils, for, with arms to caress thee,
See, the great Future stands yearning to bless thee!
Press boldly forward, nor yield to a fear!

Trust to the Future,—It will not deceive thee,
So thou but meet it with a brave heart and strong;
Now begin living anew, and, believe me,
Gladness and triumph will follow ere long.
Never a night but there cometh a morrow,
Never a grief but the hopeful will borrow
Something of gladness to lighten the sorrow;
Late unto such is a conqueror's song,

Trust to the Future, then;—Cease from your weeping,
Faith and a firm heart are all that you need—
God and his angels have yet in their keeping
Harvests of joy if we'll sow but the seed!
Trust to the Future,—all life will be glorious,
Trust,—for in trusting the soul is victorious;
Trust,—and in trusting be strong and laborious;
Up and be doing, and give God the meed!

PADDLE YOUR OWN CANOE.

Voyager up in life's sea,
To yourself be true,
And where'er your lot may be,
Paddle your own canoe.
Never, though the winds may rave,
Falter nor look back,
But upon the darkest wave
Leave a shining track.

Nobly dare the wildest storm,
Stem the hardest gale,
Brave of heart and strong of arm,
You will never fail.
When the world is cold and dark,
Keep an aim in view,
And toward the beacon mark
Paddle your own canoe.

Every wave that bears you on
To the silent shore,
From its silent source has gone
To return no more
Then let not an hour's delay
Cheat you of your due,
But, while it is called to-day,
Paddle your own canoe.

If your birth denied you wealth,
Lofty state and power,
Honest fame and hardy health
Are a better dower,
But if these will not suffice,
Golden gain pursue,
And to gain the glittering prize,
Paddle your own canoe.

Would you wrest the wreath of fame
From the hand of fate?
Would you write a deathless name
With the good and great?
Would you bless your fellow man
Heart and soul imbue
With the wholly task, and then
Paddle your own canoe.

Would you crush the tyrant wrong,
In the world's free fight?
With a spirit brave and strong,
Battle for the right.
And to break the chains that bind
The many to the few—
To enfranchise slavish mind—
Paddle your own canoe.

Nothing great is lightly won,
Nothing won is lost;
Every good deed, nobly done,
Will repay the cost.
Leave to Heaven in humble trust,
All you will to do;
But if you succeed, you must
Paddle your own canoe.

Tremendous Storm on Lake Superior—Loss of over $15,000.

ONTONAGON, Mich., Oct. 3.—It is with the deepest regret and sorrow that the first issue from our Press should be the Record of disaster and loss. We have been visited by the most severe storm that has occurred upon the lakes in many years, and during the present writing, the wind is howling with unmitigated violence, and the rain beating with such force as to penetrate the walls of every house in the village.

The storm commenced this morning about 3 o'clock, and continued to increase until it seemed almost impossible to estimate its force. The most substantial buildings are rocked so as to threaten almost immediate prostration.

The storm increased rapidly from about 9 o'clock until 12 at noon, and the greatest part of the damage was done in that time.

Saturday last, the long pier, about 1700 feet long, that had been in course of construction by Messrs. Carson & Close, was nearly finished. On the same day, the propller Peninsula came up and discharged a large amount of freight for the mines in this district. On Saturday, during the night, the steamer Sam. Ward came in and discharged a small portion of her cargo, and left for Lapointe, in consequence of a wind that sprung up. She carried away her mail and the remainder of her freight, which she expected to discharge on her return.

There was much machinery belonging to the National and also to the Ridge Mine, that was on the pier. Besides this, there were also provisions and supplies for the Ohio Trap Rock Mining Co., on the pier.

The storm increased this morning to such severity that the waves rolled over the pier head to a fearful height, and the wind being from the north-east, the sea was driven into the river until the island, which is usually dry, in two hours, was covered about four or five feet deep. About 50 feet of the extreme end of the pier was first carried away, and with it the bulk of the freight, and it then continued to give way until about 450 feet was finally swept away with all on it.

The total loss is estimated at about $15,000.

Old trees of the forest are blown down, and many of the smaller evergreens left in the streets and lots, are prostrated. The Presbyterian Church, just raised and covered, is blown out of position, and several other new buildings, in different degrees of progress, are materially injured.

The great difficulty to be apprehended, besides the actual loss, is the fact that, at this late period of the season, it is impossible to make new orders for provisions with the hope of getting them filled; therefore, many will be seriously disappointed in getting in their winter supplies.

2 P. M.—The rain has ceased, but the wind continues, and will probably blow with violence again. The Baltimore went above, to Fond du Lac, on Thursday night, and the Sam. Ward left here for Lapointe, on Sunday morning, still remaining above, and will not return until the wind abates.—*Lake Superior Mining News.*

A SNAKE STORY.—"During the Florida war," said the speaker, "I was with the American army. One day I shouldred my gun, and went in pursuit of game. In passing through a swamp I saw something a few feet ahead of me, lying upon the ground, which had every appearance of a log, it being some forty feet in length, and about a foot in diamater. So positive was I that it was nothing but a log, that I paid no attention to it; the fact is that I would be sworn before a court of justice that it was a log and nothing else. You see, I had not heard of snakes growing to such huge dimensions, and the fact is, I never should have believed it if I had."

"Well," he continued, "between me and the log, (as I took it to be,) was a miry place which it was necessary for me to avoid. I therefore placed the butt of my gun on the ground ahead of me, and sprang upon it, lit right on the top of—what do you suppose?"

"A Boa Constrictor," said one.

"No."

"An Anaconda," said another.

"No."

"What *could* it have been?" said another.

"Just what I supposed it to be—a *log*," said the wag.

Lard, good supply—transactions limited, at 10¼ a 10¾.

Buffalo Market.

BUFFALO, Oct. 13.—The demand for the common descriptions of Flour for shipment continues quite active, and with light receipts—holders are firm and prices have an upward tendency—sales of the morning reach 1,500 bbls at 8,00 a 8,12½, and 8,25 for fair to good choice Ohio and Michigan and favorite brands Illinois, 8,50 for extra Ohio.

Grain—Wheat continues in good request, but the market is bare of nearly all descriptions—Upper Lake held at 1,35 a 1,40; white Michigan would command 1,75 a 1,80.

Corn quiet and easier. Less inquiry—sales 3,500 bus at 67.

Oats in moderate supply—sales 10,000 bus at 43c.

Canal Freights remain unchanged. Receipts are very light.

Arrival of the Europa.

HALIFAX, Oct. 11.—The Europa arrived at this port this morning. She left Liverpool on Saturday morning, Sept. 30th. Her advices are, consequently, three days later than the Union.

There is, as yet, no tidings of an engagement between the Allies and the Russians in the Crimea. The news is exceedingly interesting, the public anxiety in Liverpool was at the highest pitch when the Europa sailed. News of an engagement was being looked for at any moment. The Allies had sent a force into the Sea of Azoff, to intercept the Russian transports.

Breadstuffs—The advancing tendency noticed at the departure of the Canada, continued, and prices on all descriptions show an improvement on those of the previous week. Provisions had undergone no change.

BALTIMORE, Oct. 9.—A collision occured on the Georgia Railroad on Thursday last. An engineer and fireman were killed and several others were seriously injured. The passengers escaped.

At Charleston, on Friday last, there were 8 deaths from yellow fever.

WASHINGTON, Oct. 10.—The amount of the Public Debt redeemed last week, was $66,800.

NEW YORK, Oct. 10.—The counsel for Dr. Graham have obtained a stay of proceedings for twenty days to enable them to file a bill of exceptions. Statuary punishment for the offence of which he has been convicted is imprisonment for a term of not more than 10 years nor less than 7.

The bill to increase, by $20, the license of grocers to sell liquors, was passed by both Boards last night.

The soft shells last night nominated Hernando Wood for Mayor. The hards also, by a small majority, effected the same nomination, but it was repudiated by a large portion of the Convention, who made an informal ballot for their candidate, which resulted in the choice of Jas. S. Libby.

The whigs made the following nominations: Surrogate, N. W. Bradford; District Attorney, A. O. Hall; City Judge, Sidney A. Stewart.

PHILADELPHIA, Oct. 13.—The official majority of Pollock (whig) for Governor, in this city, is 4,407.

A. E. Roberts, independent whig, is elected to Congress in the 9th District, by 1,000 majority.

TROY, Oct. 13.—A skiff containing *seventeen* men, employed in the chair factory at West Troy, upset in the river this morning, and all but six were drowned.

BOSTON, Oct. 13.—The Europa arrived here last evening. Fourteen of the survivors of the Arctic are among her passengers.

NEW YORK, Oct. 12.—The Board of Aldermen adopted to-day, resolutions of regret and sympathy at the loss of the Arctic, and ordered the flags of the city to be displayed at half-mast for three days.

HALIFAX, Oct. 13.—Nothing further from the Arctic's missing boats. A vessel arrived here, reports seeing, 25 miles south of Cape Race, portions of the wreck of a large vessel—undoubtedly that of the Arctic.

A County Surveyor, in place of John Gregory.
A Coroner, in place of Egbert Mosely.

The following proposed Amendments to the Constitution of the State are to be submitted to the people at such election, to wit:

Amend Section 4 of Article 4, so as to read as follows: "The members of Assembly shall be chosen biennially, by single districts, on the Tuesday next succeeding the first Monday of November, by the qualified electors of the several districts, such districts to be bounded by county, precinct, town or ward lines, to consist of contiguous territory, and to be in as compact a form as practicable."

Amend last clause of Section 5 of the same Article, so as to read as follows: "The Senate districts shall be numbered in regular series. The Senators chosen by the present odd numbered districts, in the year 1854, shall hold their offices until the last day of December 1856. The Senators chosen by the present even numbered districts, in the year 1855, shall hold their offices until the last day of December, 1858. Thereafter Senators shall be chosen for the term of four years, but the legislature at any new apportionment shall so classify the Senators to be elected from any additional Senate district which may be formed, that the term of office of all Senators elected from even numbered districts shall expire at the same time, and the term of office of all those elected from odd numbered districts shall expire at the same time."

Amend Section 11 to read as follows: "The Legislature shall meet at the seat of government once in two years, and not oftener, unless convened by the Governor."

Each elector may vote for or against the first of the above named amendments by depositing a ballot containing the following words: "For amendment to section four," or "Against amendment to section four," and for or against the second of the above amendments by depositing a ballot containing the words, "For amendment to section five," or "Against amendment to section five;" and for or against the third of the above amendments by depositing a ballot containing the words, "For amendment to section eleven," or "Against amendment to section eleven." The votes given by any elector for or against any or all of said amendments shall be on one ballot, and to be deposited in a separate box prepared for the purpose. The qualification of the electors to be the same, and the votes canvassed and returned in the same manner as in election for State officers. (jy28) H. L. PAGE, Sheriff Milwaukee Co.
